Dear Mr. Park:

We corresponded in 1993 with respect to <sup>Troemner</sup> Gold Coin  
 Balances and you were very helpful in my research.  
~~In~~ In 1999 I coauthored a book on the subject of  
 U.S. coin scales.

What I need from you now is <sup>some</sup> material from  
 the Troemner <sup>some of</sup> catalogs which I believe you <sup>may</sup> have.  
 I have <sup>photo</sup> copies of the 1906, 1926, 1928, and 1930  
 catalogs. I need pp. 46 and 47 from the 1929 catalog.  
~~catalog~~ and any gold coin scales from  
~~the~~ catalogs from the late 1800s. Do you have any  
 of these or know <sup>where they may be?</sup> where they may be?

You sent me pictures of your gold coin scale  
 which is Fig 260 on page 45 of the 1909 catalog  
 and I ~~hope~~ <sup>hope</sup> if you still have it, I have sought one  
 for a <sup>long time</sup> ~~long time~~. We have been collecting this material for  
 many years just as you have and look forward  
 to hearing from you as to the above information

Kindest regards,
